Jewel Thief is a 1967 spy thriller Hindi film, the story of Vinay and Amar who look alike. Vinay is an ordinary man whereas Amar is a jewel thief. Vinay is often mistaken for Amar so he decides to work for the police and impersonate Amar to crack his plots. Amar finds out, and decides to impersonate Vinay & their identities gets mixed up.

The film stars Dev Anand, Vyjayantimala & Ashok Kumar in the Lead roles. It also features four bond girl-like actresses portrayed by Tanuja, Helen, Faryal and Anju Mahendru with other actors appearing in supporting roles. However, Jewel Thief stands in its own largely due to the impressive raft of classic imagery & naach-gaana, which is amazing. This Film was big hit on Box Office.
