

NOTICE

The Tertiary Education Commission, Government of Mauritius, has notified the following:

i) The **Isitech Business School** has made an application to the Commission to change its name to Oceana Business School. This change of name has not been approved yet.

ii) Isitech Business School is **NOT** authorised to enroll students on the Level 7 IOCM Diploma in Management (Institute of Commercial Management, UK) and on Coventry University Programmes

Indian students who seek to enroll in any educational course in Mauritius are advised to properly verify the credentials of the institution, and undertake all due diligence before taking admission in such courses.
