### **Enrolment for Undergraduate, Postgraduate, Diploma and Certificate Programmes for learners in Africa commencing from 25th June 2021 under e-VidyaBharti and e-ArogyaBharti (e-VBAB) Project**

Hon'ble Minister of External Affairs Dr S. Jaishankar formally launched the e-VidyaBharti (Tele-education) and e-ArogyaBharti (Tele-medicine) Network Project on 7th October 2019. The Project is completely funded by the Government of India for its entire duration and is open for participation to all partner countries in Africa.

The Tele-education portal under the project is accessible at <https://ilearn.gov.in>. The portal offers a variety of career focused online programmes and certificates that empower learners to develop technical and managerial skills, embark on a new career, or prepare for advanced study.

The Tele-education project aims to offer 15,000 scholarships to the Students of Africa by Government of India during 5 years period to pursue undergraduate and postgraduate programmes from premier public and private universities of India. As on date, over 3,500 scholarships have been awarded to the students who enrolled in various disciplines including technology, business administration and commerce, healthcare, tourism, humanities and arts.

**The e-VBAB team is happy to announce the commencement of enrolment from 25<sup>th</sup> June 2021 onwards for the new academic session of July 2021.**
